

No Hunting  
 No Firearms  
 Camping and Campfires by written permission only  
 Entrance by invitation only

Remember natural wildlands are filled with dangers.  
 Wild animals, snakes, poison plants, falling limbs,  
 and possible deep water and other hazards are some  
 of the risks. Enter with caution and at your own risk.  
 Children should always be supervised by a responsible  
 adult.

# KINGSWOOD

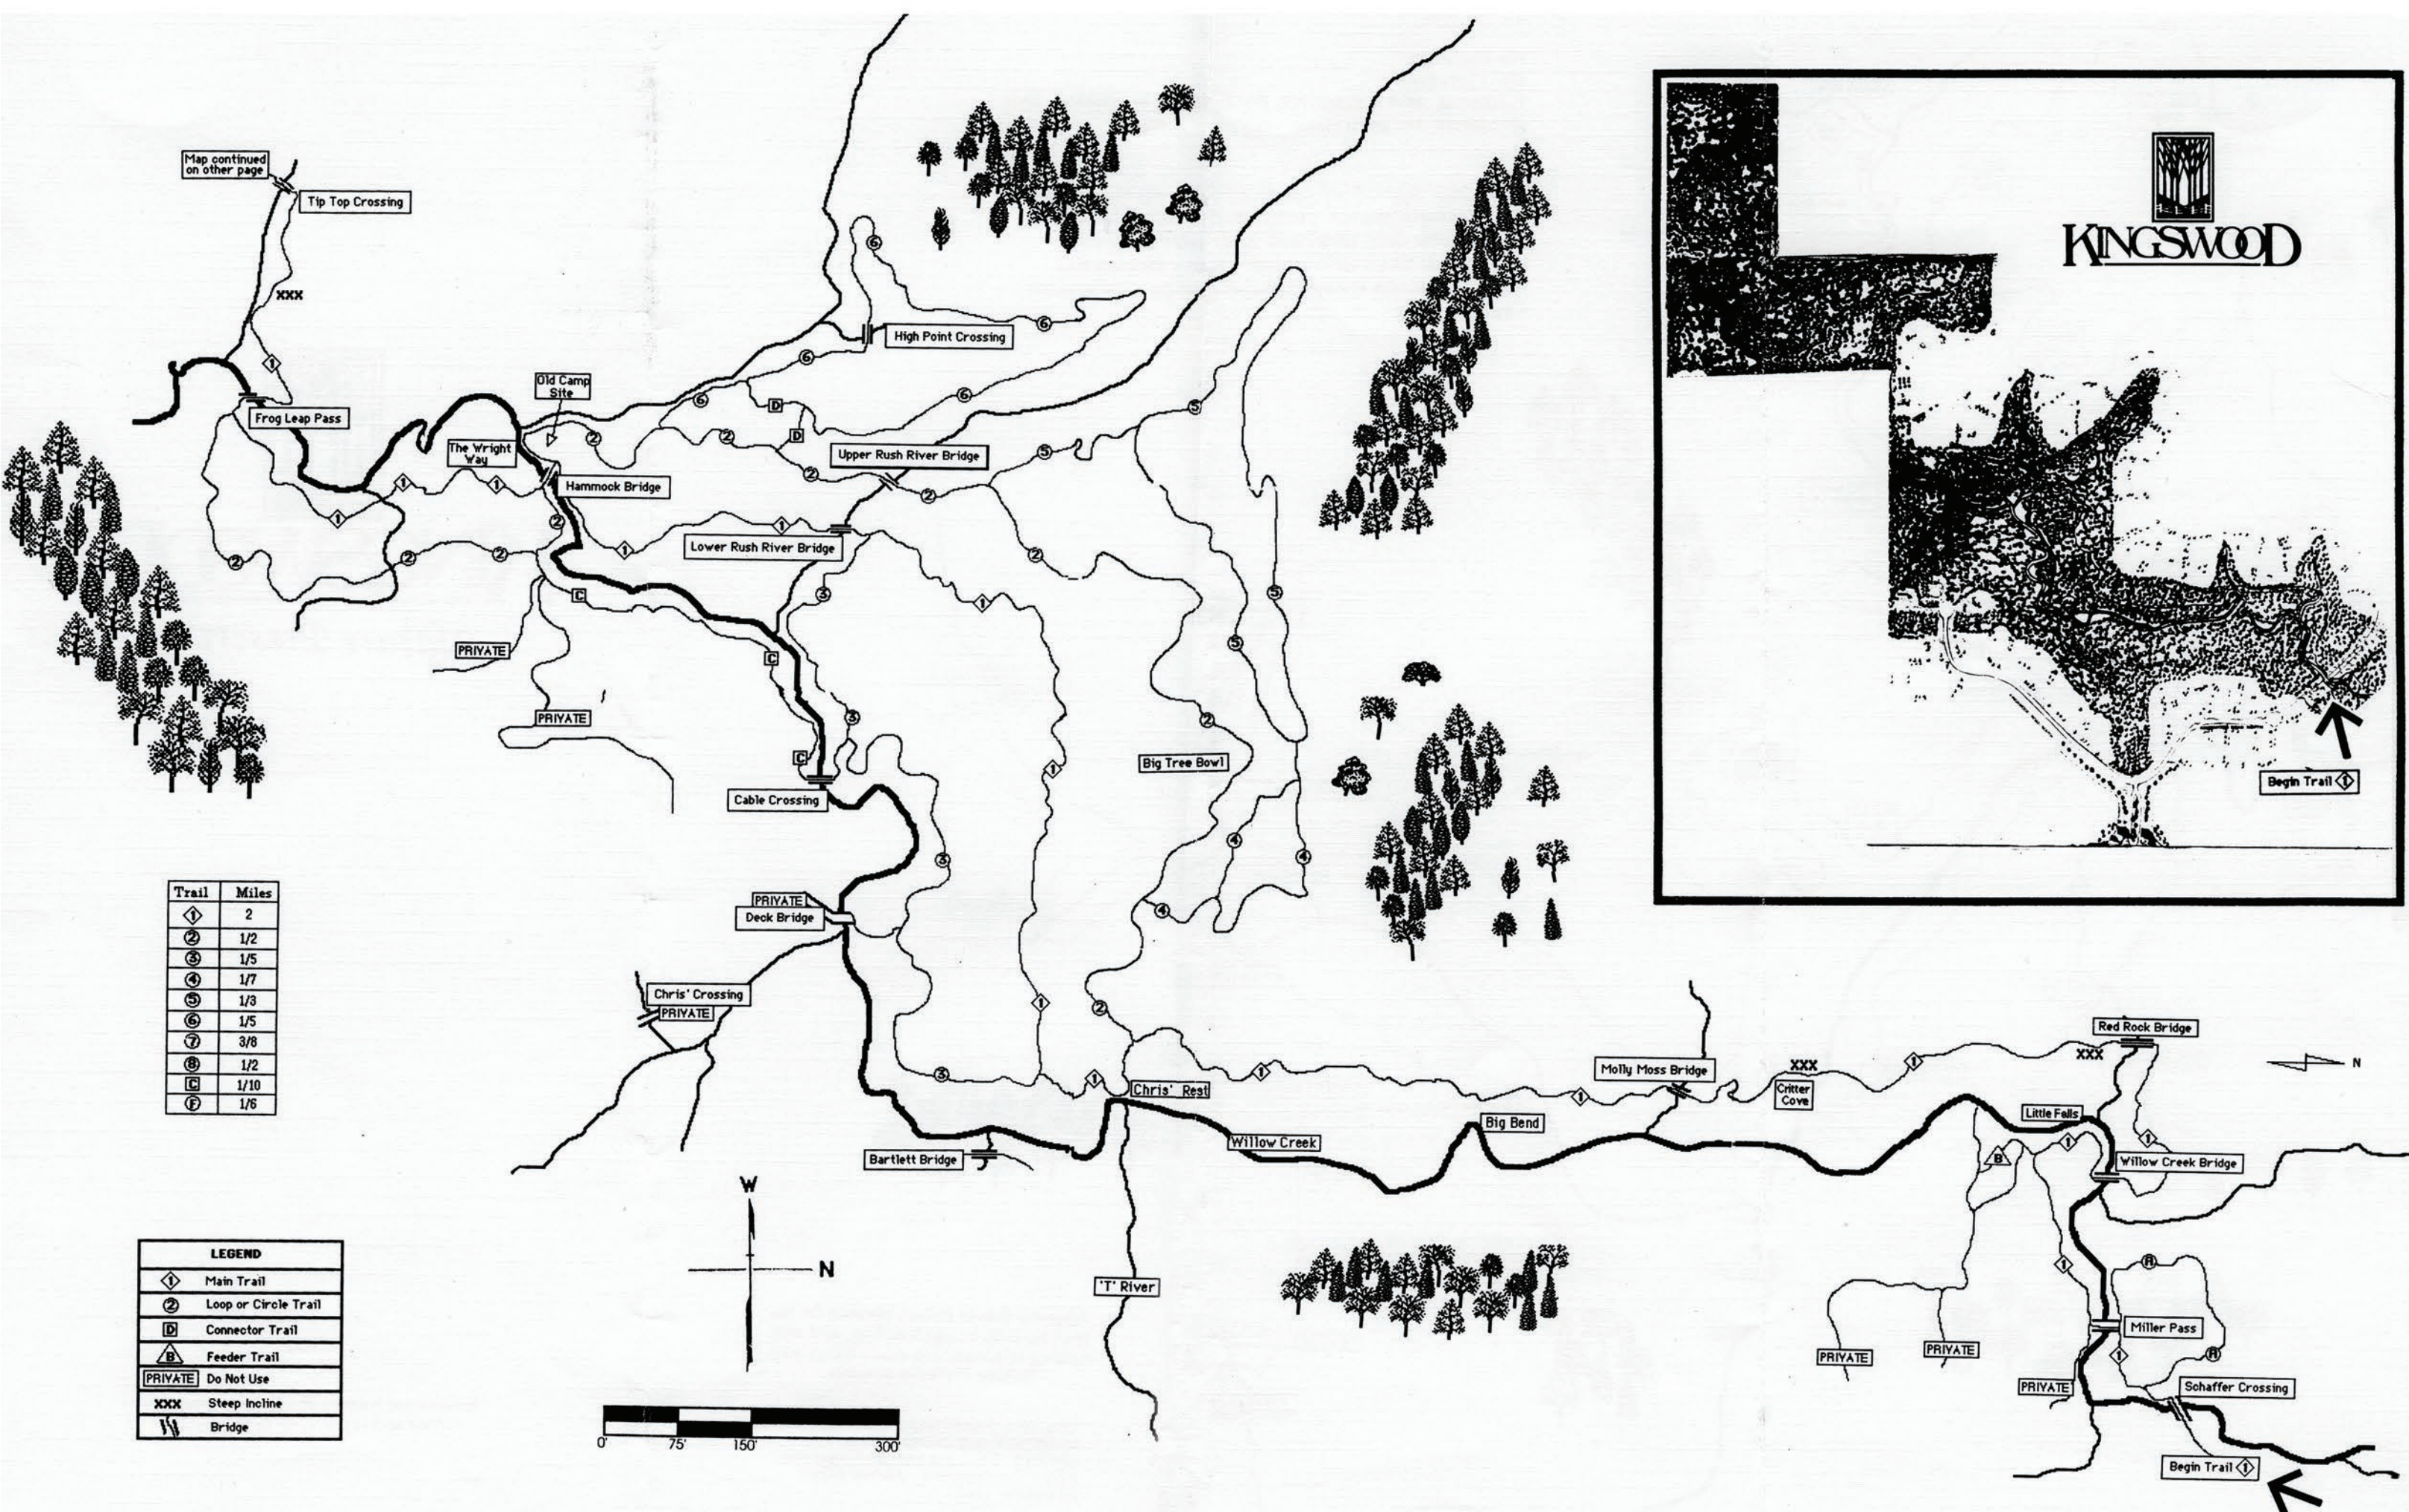

*Nature Preserve*

Appreciation to Robert Maxson for his trail blazing, bridge building, and sign making talents which made Kingswood Nature Preserve possible.

This area is privately owned and funded by Michael and Deborah King. It is adjacent to but not part of Kingswood Farms Development. Access is by invitation only.

Kingswood Nature Preserve is privately owned and is not open to the public.
